Computer Skills:

Software known : AUTOCADD
ADOBE PHOTOSHOP
REVIT (as an intermediate level user)
Microsoft Word , Excel etc

Work Experience @ United Kingdom:

- Had an opportunity to take part in discussions regarding redevelopment of Highfield Trinity Church, Sheffield.
- Had an experience in Designing and helping partly in the construction stage of a Farm House at Stockbridge, South Yorkshire.

Working in United Kingdom provided me a different exposure to the building industry in that country, taking into accounts ,the building materials, design variations and climatic features.

Currently practising individually as an Architect by the name **TRINITY PLUS ASSOCIATES** at Trichy from 2009 till Date.

Projects done:

- “Earthquake resistant housing at Ahmedabad” –Township(Thesis)
- Presented a paper on various factors for earthquake design and its design concepts
- Paper presented and Dissertation done on “Risk management analysis in Seismic resistant structures”. (Research proposal at P.G-M.Sc)
- Paper presented and Dissertation done on “Cost Effective technologies to be implemented at buildings”. (Research proposal at P.G-M.arch)
- “Redevelopment of Sengulam slum housing at Trichy” –Housing (Thesis)

➤ **Individual projects**

- Residences Across Trichy, Dindugal, Karur, Coimbatore and Chennai
- Individual layout and houses at J.R nagar, Mathur
- Apartments and flats across Trichy , Coimbatore and Chennai.
- Construction of C.S I church at Palur, Trichy,
- Redesigning of South Asia 's Second oldest Protestant Church (Built at 1766), CSI Fort church ,Trichy.
- Proposed Gethsemane Prayer Tower at Siruganur , Trichy .

Academic Experience :

- Teaching Assistant From Aug 2008 –May 2009 at Sheffield Hallam University , South Yorkshire , UK
