## INFRASTRUCTURE
Prime Nest College of Architecture
& Planning - Siruganur, Tiruchirapalli

## OUR MISSION

The facilities and services that PNCA renders to students, faculty & the staff members make it stand among world class institutes.

The top class amenities provided to the students makes the stay in PNCA a best memorable experience.

*"We shape our buildings, there after, they shape us"*

*-Winston Churchill*

# ACADEMIC CREDIBILITY AT PNCA:

## ADMISSION PROCEDURE AND ELIGIBILITY

**ACADEMICS**
Prime Nest College of Architecture
& Planning - Siruganur,Tiruchirapalli

As per the norms of Council of Architecture - COA New Delhi (Incorporated under the Architect's Act, 1972) *COA (Minimum Standards of Architectural Education) Regulations, 2020.*

**For Admission to B.Arch Degree Course,**

*- Candidate who have studied Physics, Chemistry & Maths (PCM) in 10+2 scheme of examination or 10+3 Diploma with Mathematics as a subject of study are normally eligible.*

*- In addition, the percentage of marks in whole or aggregates of PCM or subject wise in 10+2 or 10+3 scheme of examination will be as per the notifications of the Council of Architecture, New Delhi (COA) then and then as per the directions of the Central Government.*

- Architecture is a profession for the people who have talents in artistic and aesthetic. There is always a demand for good architects so as to utilize the entire construction space in building projects.

- In the present scenario, architects are essential to plan and carry out building projects and to find solution for the problems related to this field.

- Building projects and real estate is one of the largest sectors of investment in our economy; hence the profession is also getting recognitions and further career opportunities.

Our college is Approved by Council of Architecture - COA, New Delhi (TN77), An autonomous statutory body under of government of India as per the the Architects act, 1972) and Affiliated to Anna University, Chennai (3467) from the Academic Session 2015 - 2016 till present for sanctioned intake of 40 per year.

## OUR VISION :

To emerge as the WORLD'S PREMIER centre for education and research in architecture by nurturing and transforming the aspiring younger minds.

The college also aims to address various urban issues in the city through Architectural Design exercises with increasing involvement of the community.

# STUDENT ACTIVTIES

Studying at PNCA is not about mugging up lessons and taking notes, it is a process which gears up students for the challenges of modern world infrastructure. Students will not only learn to find answers but also to question them.

Intelligence must be in the hands and feet as well as in the head"
— Marty Rubin

" I Read, I forget

I See, I Remember

I do, I understand "

## ACTIVITIES
Prime Nest College of Architecture
& Planning - Siruganur,Tiruchirapalli

In PNCA, the teaching methodology is conceptualized in such a manner that students get first hand industrial exposure while they are still studying. It includes, Expert guest lectures and reviews by architects, Hands on Workshops & Frequent travel/visits.

"We do not learn for the benefit of anyone, we learn to unlearn ignorance."
— Michael Johnson

*"Architecture is a visual art, and the buildings speak for themselves".*
